United States District Judge

Re: United States v. Jossi Castro  
Case No. 23 Cr. 99 (LJL)

Dear Judge Liman:

Jossi Castro's conditions of pretrial release include home detention and travel restricted to the SDNY and EDNY. He has been fully compliant with his release conditions.

I request modification of Mr. Castro's conditions, removing home detention to be replaced by a curfew, with the times to be defined by Pretrial Services. He recently attained employment with the New York City Housing Authority's maintenance department. His shifts are posted on short notice. This poses a significant challenge for him to adhere to his existing release conditions because Pretrial requires 48-hour notice for any non-emergency requests.

The Government, by AUSA Ni Qian, and Pretrial Services, by Officer Ashley Cosme, consent.

Respectfully submitted,

/s/ Stephen Turano
